Dear Mr. Howard:

Thank you for your letter of November 20. You indeed have had an interesting and amazing life for one so young.

The outline of your manuscript sounds very interesting, but it really does not fit into the genre of publishing which we at Marvel do best. I would suggest that you send it to some regular book publishers rather than people like ourselves in the comic book business.

Good luck with your project.

Yours very truly,

James E. Galton
President
